

helpfinder™

Before listing with us, please review our [pricing](#) schedule. **helpfinder** currently limits listings in each category (or sub-category) to five (5) listings. Your Local Area Directory Associate will guide you in determining how many directories you may list in, and how many categories in each directory you select to list in.

Notice: *helpfinder* only accepts listings from companies, service providers and professionals who offer above average products and services, and are committed to quality customer service in a timely manner and at reasonable prices. Further, all listings must commit to a drug free workplace, non-felon employment and not be part of an organization or group who advocates the hindrance or overthrow of the United States Government (violent or otherwise), at any level.
